The dollar amount shown may be the last amount actually paid for that item, or may project the next amount due as defined by Federal Law. Based on these anticipated disbursements, the amount of your escrow deposit is calculated and displayed here.

Last year we anticipated that Disbursements would be made from your Escrow Account during the period equaling \$164.47. Under Federal Law, your lowest monthly balance should not have exceeded \$27.42, or 1/6th of total anticipated payments from the account, unless your mortgage contract or State law specifies a lower amount.
